

DAMAGE CONTROL

Four ways to solve summer's biggest hair issues.

DRYNESS

Take strands from strawlike to silky with a scoop of this hydrating mask.

1. **GARNIER Whole Blends Avocado Oil and Shea Butter Nourishing Mask**, \$7, drugstores

SPLIT ENDS

A few spritzes wrap strands in a protective keratin shield, temporarily sealing frays.

2. **ORLANDO PITA PLAY Atmos-Shield Hair Protectant Treatment Spray**, \$34, ulta.com

BRASSINESS

UV rays and chlorine oxidize dyed or bleached hair. This violet-toned gloss neutralizes unwanted orange and yellow tones in minutes.

3. **RITA HAZAN True Color Ultimate Shine Gloss in Breaking Brass**, \$26, [Sephora](http://Sephora.com)

FRIZZ

Apply this treatment before shampoo and get smooth hair for a week. Lightweight silicone offers a barrier against humidity.

4. **JOHN FRIEDA Frizz Ease 10 Day Tamer**, \$13, drugstores

FRABAL CURLING

Textured Pony

No-Effort Knot

TORY BURCH

How You Should Air-Dry

MY STRAIGHT HAIR IS...

FRIZZY

Apply a dime-size amount to hair once it's 75 percent dry to lock down flyaways.

MARULA OIL Rare Oil 3-in-1 Styling Cream, \$30, raremarula.com for salons

FLAT

Apply to towel-dried strands, so keratin can build fullness. Flip your part to set height into place.

GOLDWELL Kerasilk Repower Plumping Cream, \$28, goldwell.us

MY WAVES ARE...

UNDEFINED

Mist this from root to tip—sugar crystals give lazy waves new life—then wind hair into two high buns until dry.

REDKEN Curvaceous Wind Up, \$19, ulta.com

UNRULY

Finger-comb through damp hair in a downward direction (don't scrunch it up) to keep the cuticle flat.

R+CO Twister Curl Primer, \$25, randeo.com

MY CURLS ARE...

LOOSE

Apply this non-sticky gel through wet hair, wrapping ends around your fingers for added definition.

PANTENE Pro-V Curl Scrunching Spray Gel, \$6, drugstores

TIGHT

Smooth in this rich cream, then make a twist-out: Do small two-strand twists all over, stretch to opposite side, and pin.

DEVACURL Supercream Coconut Curl Styler, \$28, devacurl.com
