In the 1980s, Gere enjoyed some success with chestnut hair in films like "American Gigolo" and "An Officer and a Gentleman." However, Gere didn't *truly* become America's sweetheart until the 1990s, when he starred in the hit film, "Pretty Woman," opposite Julia Roberts. His perfectly tousled salt-and-pepper hair helped him carry off the role to a T -- and romcoms haven't been the same since.

#### Shampoos With Sulfates

Steer clear of shampoos with sulfates (an ingredient that makes shampoo sudsy), as it can make hair even more dry, especially gray hair, which tends to be drier. A terrific product is [DevaCurl No Poo](#) from Devachan.
